

2023 – 2024

Cheerleading Program

Registration Deadline: September 30th

Program Details

The Cheerleading team will cheer for our St. Charles Borromeo basketball teams at home games and possibly other St. Charles events! Please note that our program will focus on the basics, emphasizing cheering, jumping, chanting, with the goal of providing excitement and fun during our basketball games. We will not be utilizing extensive and difficult stunts. However, coaches will be properly trained on techniques and mechanics for any stunts performed to ensure children's safety.

We will have 2 separate squads this season broken into specific ranges allowing each group to perform more age-appropriate routines, dances, and cheers. We may adjust the squads based on the numbers at each grade level.

- The season starts in mid-October and continues through the end of February. Practices will be either Tuesdays or Wednesdays. Please note that we may need to adjust dates and times as needed some weeks based on gym availability.
- We will have a parent meeting in mid-October in McCusker Hall (TBD). We ask that at least 1 parent attend with their child. We will be measuring the children for uniforms and going over all the information needed for the season.
- The team cheers for St. Charles CYO home basketball games on Friday evenings or Sundays.
- The registration and uniform cost is \$100, which does not include sneakers but will include all the uniform pieces and accessories (socks, bloomers, bodysuit, skirt, shirt, and bow). Children will need to purchase their own white sneakers.

Eligibility

Children in *Kindergarten through 8th grade* and attending *St. Charles Borromeo School* or attending the *St. Charles Borromeo Religious Education Program* are eligible to participate.

Registration Details

Please register at <http://scbcheer.com> by September 30th.
