### **WELCOME!**

This is our 13th year of SCB summer camp. It is held on our school campus and staffed by our SCB faculty and staff. Our day consists of a flexible schedule filled with many activities including: arts and crafts, team activities, individual games, stories, and music/ dance activities.

We allow flexibility with our attendance policy. Sessions will be prorated to accommodate vacation days. Alternate days may also be substituted however, prior notice is required to provide for adequate staffing.

We do not have a lunch program at camp therefore, families are asked to provide food/ drink/ snacks.

Thank you for your interest in our camp.
