### **SEPTEMBER 26TH - 7PM**

Notre Dame High School - Lawrenceville, NJ

The Diocese of Trenton Department of Catholic Schools is thrilled to invite all parents of young readers to an enlightening discussion on The Science of Reading. All are welcome!

Dr. Gene Kerns, esteemed author of "Literacy Reframed," will be sharing his research focused on how parents can effectively support their children's journey toward becoming strong, lifelong readers.

This event is tailored especially for parents of pre-k to 4th grade children, offering practical strategies and valuable knowledge that can make a significant impact on early literacy development!
