

The Cheerleading team will cheer for St. Charles Borromeo Basketball teams at home games and possibly other St. Charles events!

Our program will focus on the basics, emphasizing cheering, jumping, and chanting, with the goal of providing excitement and fun during our basketball games. We will not be utilizing extensive and difficult stunts.

However, coaches will be properly trained on techniques and mechanics for any stunts performed to ensure children's safety.

We plan to have 2 separate squads broken into specific grade ranges allowing each group to perform more age-appropriate routines, dances, and cheers.

We are excited for a successful 2024-25 season!

NEW COACHES NEEDED

Our volunteer coaches are critical to our program's success. We are seeking 1 or 2 assistant coaches. Coaches will need to take a Virtus training course and get fingerprinted. More details will be provided to those interested. Coaching is rewarding and is a great way to get involved in our parish.

Info at scbcheer.com should answer most questions. Other questions can be directed to Angie Wojnar - awojnar@comcast.net.
